HAPPY BIRTHDAY, SCORPIO!

01

The Last Year (Ace of Swords):

The Ace of Swords represents clarity, breakthroughs, and mental clarity. Over the past year, you may have gained new perspectives, cut through confusion, or found the courage to face challenges head-on. This was a time for decisive action, where truth and honesty took center stage, helping you clear away any mental clutter and focus on what truly matters.

02

Something to Leave Behind (10 of Cups):

The 10 of Cups symbolizes harmony, fulfillment, and idealized happiness, often tied to family or close relationships. As something to leave behind, this card suggests letting go of unrealistic expectations or the pursuit of a “perfect” vision. Allow yourself to release any pressures to maintain appearances or meet others’ standards, focusing instead on authentic connections and joy in the present.

03

A Gift to Yourself (8 of Pentacles):

The 8 of Pentacles is all about hard work, dedication, and refining your craft. As a gift to yourself, this card encourages you to invest time and effort into your passions or skills. Commit to personal growth, knowing that each step forward adds to your accomplishments. The dedication you put in now will serve as a foundation for long-term success and satisfaction.

04

Something to Embrace (2 of Swords):

The 2 of Swords represents difficult choices, balance, and finding inner peace amidst indecision. This card suggests embracing any uncertainty or internal conflicts. Instead of rushing decisions, allow yourself to sit with any opposing thoughts or emotions. Trust that clarity will come in time, and honor the process of weighing your options without pressure.

05

The Year Ahead (10 of Cups):

The 10 of Cups reappears here, promising a year filled with emotional fulfillment, strong connections, and a sense of harmony in your personal life. Whether with family, friends, or a chosen community, this year brings opportunities for deeper bonds and shared joy. Expect moments of celebration and an overall sense of completion and peace in your relationships.
