HAPPY BIRTHDAY, VIRGO!

01

The Last Year (6 of Cups):

The 6 of Cups represents nostalgia, memories, and a sense of innocence or childlike joy. Over the past year, you may have found yourself reflecting on the past, reconnecting with old friends, or revisiting childhood memories. This card suggests a period of sentimental reflection and perhaps healing from past experiences. You might have been seeking comfort in familiarity, reliving joyful moments, or resolving old wounds.

02

Something to Leave Behind (The World):

The World signifies completion, accomplishment, and a sense of fulfillment. As something to leave behind, this card suggests that it's time to move on from a cycle or chapter that has reached its natural conclusion. You may have achieved a significant milestone or come full circle in some area of your life. Now, it's important to acknowledge this completion, celebrate it, and let it go to make space for new experiences and growth.

03

A Gift to Yourself (8 of Pentacles):

The 8 of Pentacles is about dedication, hard work, and mastery. This card encourages you to gift yourself the time and effort needed to hone your skills or craft. Invest in self-improvement, learning, or developing a talent. This is a reminder that consistent effort will yield rewards, and by dedicating yourself to growth, you're giving yourself a gift that will keep giving in the future.

04

Something to Embrace (Page of Cups):

The Page of Cups represents creativity, curiosity, and emotional openness. You are being guided to embrace a more playful and imaginative approach to life. This card encourages you to be open to new opportunities in love, friendships, or creative endeavors. Embrace your intuition and allow yourself to dream without boundaries. This is a time for emotional exploration and letting your heart guide you.

05

The Year Ahead (5 of Wands):

The 5 of Wands suggests a year ahead filled with dynamic energy, competition, or conflict. You may encounter challenges, but these are not necessarily negative; they could push you to grow, adapt, and assert yourself. This year may involve navigating through disagreements or finding common ground in challenging situations. The key is to stay focused, assertive, and willing to stand your ground while learning from these experiences.
